# Hot Melt Fiber Optic Connectors, Kits and Accessories

Reliable and Fast

3M™ Hot Melt Connectors are among the most popular with contractors because of their reliability and ease of use. They come pre-loaded with an adhesive that is not limited in shelf life, and the termination procedure provides the ability to reheat and reposition the fiber in the termination process. This easy-to-install field mount connector provides reliable performance in indoor and outdoor applications and has no internal splice.

All 3M hot melt connectors can be terminated using the same 3M™ Hot Melt Termination Kit 6365/6361. 3M™ LC Connectors require the 3M™ LC Expansion Kit 6650-LC which includes a weighted polishing jig to provide a PC centered apex end face.

### **APPLICATIONS:**

The applications for the hot melt connector are based on industry standards for performance over environmental extremes.

### **3M™ HOT MELT CONNECTORS**

- Singlemode and multimode local area networks and campus wiring
- Singlemode telephony central office and CATV headend
- Environmental performance requirements exceeding EIA/TIA 568-B.3
- Singlemode reflection requirements of  $-55\text{dB}$
- Available in LC, ST, SC, FC singlemode and multimode connectors
- Provides reliable performance in a wide range of indoor and outdoor applications

3M™ Multimode Duplex LC Connector 6600

3M™ Singlemode FC Connector 8200

3M™ Multimode SC Connector 6300

3M™ Multimode ST Connector 6100

## FEATURES AND BENEFITS

### 3M™ HOT MELT CONNECTORS – LC, ST, SC, FC

|  |   |
|--|---|
| Meets TIA/EIA 568-B.3 standard for indoor and outdoor applications | Long term reliability                                       |
| Ease of use on backbone and horizontal cable                       | Quick termination in <2 minutes; high yield                 |
| Allows custom length cable assemblies to be built on site          | Enhances cable management in telecom room or central office |
|  | Minimizes cable slack                                       |
| Adhesive fiber retention   | Not dependent on mechanical retention alone                 |
| 3M field polishing process produces <55dB reflection, singlemode   | Reliable in high speed transmission                         |
| Pre-loaded adhesive  | No epoxy mixing or mess; no pot life                        |
| Re-heatable adhesive   | Allows fiber repositioning                                  |
| Blue dot of adhesive   | Easy to see when polishing is complete                      |

## ORDERING INFORMATION - 3M™ HOT MELT CONNECTORS

| PRODUCT NUMBER           | DESCRIPTION   | MINIMUM ORDER QUANTITY | PACKAGING           |
|--------------------------|---|------------------------|---------------------|
| <b>3M™ LC Connectors</b> |   |                        |                     |
| 6600-S                   | MM hot melt simplex 900 BTW, white boot             | 60                     | 1/bag, 60/carton    |
| 6602-S                   | MM hot melt simplex 1.6-2.0 cable, white boot       | 60                     | 1/bag, 60/carton    |
| 6603-S                   | MM hot melt simplex 2.4-3.0 cable, white boot       | 60                     | 1/bag, 60/carton    |
| 6601-D                   | MM hot melt duplex 900 buffer, white/beige boots    | 60                     | 1/bag, 60/carton    |
| 6602-D                   | MM hot melt duplex 1.6-2.0 cable, white/beige boots | 60                     | 1/bag, 60/carton    |
| 6603-D                   | MM hot melt duplex 2.4-3.0 cable, white/beige boots | 60                     | 1/bag, 60/carton    |
| 6604-D                   | MM hot melt duplex 900 buffer, red/black boots      | 60                     | 1/bag, 60/carton    |
| 6605-D                   | MM hot melt duplex 1.6-2.0 cable, red/black boots   | 60                     | 1/bag, 60/carton    |
| 6606-D                   | MM hot melt duplex 2.4-3.0 cable, red/black boots   | 60                     | 1/bag, 60/carton    |
| 8600-S                   | SM hot melt simplex 900 BTW, white boot             | 60                     | 1/bag, 60/carton    |
| 8602-S                   | SM hot melt simplex 1.6-2.0 cable, white boot       | 60                     | 1/bag, 60/carton    |
| 8603-S                   | SM hot melt simplex 2.4-3.0 cable, white boot       | 60                     | 1/bag, 60/carton    |
| 8601-D                   | SM hot melt duplex 900 buffer, white/beige boots    | 60                     | 1/bag, 60/carton    |
| 8602-D                   | SM hot melt duplex 1.6-2.0 cable, white/beige boots | 60                     | 1/bag, 60/carton    |
| 8603-D                   | SM hot melt duplex 2.4-3.0 cable, white/beige boots | 60                     | 1/bag, 60/carton    |
| <b>3M™ ST Connectors</b> |   |                        |                     |
| 6100-W                   | MM hot melt connector, white boot                   | 60                     | 1/bag, 60/carton    |
| 6100-B                   | MM hot melt connector, black boot                   | 60                     | 1/bag, 60/carton    |
| 6100-R                   | MM hot melt connector, red boot                     | 60                     | 1/bag, 60/carton    |
| 6100-W1K                 | MM hot melt connector, white boot                   | 1,000                  | 1/bag, 1,000/carton |
| 6100-B1K                 | MM hot melt connector, black boot                   | 1,000                  | 1/bag, 1,000/carton |
| 6100-R1K                 | MM hot melt connector, red boot                     | 1,000                  | 1/bag, 1,000/carton |
| 8100-YS                  | SM hot melt connector, yellow boot                  | 60                     | 1/bag, 60/carton    |
| 8100-Y1K                 | SM hot melt connector, yellow boot                  | 1,000                  | 1/bag, 1,000/carton |
| <b>3M™ FC Connectors</b> |   |                        |                     |
| 6200                     | MM hot melt connector, white boot                   | 60                     | 1/bag, 60/carton    |

| <b>3M™ SC Connectors</b> |   |                        |                     |
| 6300-W                   | MM hot melt connector, white boot                   | 60                     | 1/bag, 60/carton    |
| 6300-W1K                 | MM hot melt connector, white boot                   | 1,000                  | 1/bag, 1,000/carton |
| 6300-B1K                 | MM hot melt connector, black boot                   | 1,000                  | 1/bag, 1,000/carton |
| 6300-R1K                 | MM hot melt connector, red boot                     | 1,000                  | 1/bag, 1,000/carton |
| 8300                     | SM hot melt connector, white boot                   | 60                     | 1/bag, 60/carton    |
| 8300-W1K-S               | SM hot melt connector, white boot                   | 1,000                  | 1/bag, 1,000/carton |

### 3M™ HOT MELT TERMINATION KITS

The 3M™ Hot Melt Termination Kits 6365 (120V oven) and 6361 (230V oven) contain all materials necessary to terminate 3M SC, ST, and FC hot melt, both singlemode and multimode. An LC expansion kit makes it easy to incorporate the LC hot melt process into one kit.

3M™ Hot Melt Termination Kits 6365 and 6361

### FEATURES AND BENEFITS

|   |   |
|---|---|
| Improved microscope with oblique and coaxial lighting | Better view of fiber end face inspection        |
| Roll-up tool pouch                                    | Tools are organized and accessible              |
| Universal hot melt holders                            | Fewer parts to carry, holds cable more securely |
| Instruction CD  | Organized into video segments                   |

### ORDERING INFORMATION - HOT MELT TERMINATION KITS

| PRODUCT NUMBER | DESCRIPTION   | MOQ | PACKAGING |
|----------------|---|-----|-----------|
| 6365           | Hot melt termination kit for ST, FC, SC hot melt connectors, 120V | 1   | 1 each    |
| 6361           | Hot melt termination kit for ST, FC, SC hot melt connectors, 230V | 1   | 1 each    |
| 6650-LC        | LC expansion kit  | 1   | 1 each    |
| 6156           | Conversion kit (epoxy to hot melt 120V)                           | 1   | 1 each    |
| 6157           | Conversion kit (epoxy to hot melt 230V)                           | 1   | 1 each    |
